

Access to COVID-19 Advice through eConsult

The Ontario eConsult Service, accessed on the OTNhub and a part of the **Ontario eServices Program**, is a secure web-based tool, that allows physicians and nurse practitioners timely access to specialist advice.

The **Ontario eConsult Service, accessed on the OTNhub.ca**, offers easy and timely access to specialist advice, including questions related to COVID-19.

The following specialties are **now available** through the **BASE™ Managed Specialty option** through the **COVID-19** and **Public Health specialty categories**:

COVID-19 Infectious Diseases

COVID-19 Vaccine - Public Health

COVID-19 Vaccine - Allergy/Immunology

COVID-19 and Autoimmune Disorders

COVID-19 and Pregnancy

Check out our guide on sending **Vaccine Allergy** questions

The COVID-19 specialties are the only groups that allow for population-based, non-patient specific clinical questions, in addition to the ability to ask patient-specific eConsult questions.

"Very helpful, in this time of closed offices and social distancing, to be able to ask a question and confirm definitive management of a case."
