Did your **midwife** send an **eConsult** on your behalf?
We want to hear about your **experience!**

What is eConsult?

- A secure **web-based** tool
- Allows clinicians **timely access** to specialist advice
- Often **eliminates the need** for an in-person specialist visit

What are the benefits to patients?

-  **ACCESS:** Over **130** specialty services
-  **FAST:** Specialists respond to questions within 1 week, often **as quickly as 1 day**
-  **NO COST**
-  **SECURE:** eConsult **meets all of the standards for privacy** of communication between healthcare providers
-  **EFFICIENT:** In about two-thirds of eConsults, the clinician gets all the advice they need to **treat you themselves**

How does it work?

STEP 1 – Today

Your midwife sends a question to a specialist

STEP 2 – Within 1 week

The specialist responds and provides advice

STEP 3 – Usually 2–4 weeks

Your midwife uses the specialist's advice to provide care to you

OR

Your midwife refers you to the specialist
