

eConsult Services in Champlain

eConsult is a secure web-based tool that allows eligible senders timely access to specialist advice for their patients and often eliminates the need for an in-person specialist visit.

The Ontario eServices Program includes the following two successful eConsult Services:

Champlain eConsult BASE™ eConsult Service

- **Regional** eConsult Service used primarily by clinicians within the Champlain region
- Hosted on the HealthCareWorks web-based platform.
- Access local specialists with more than 150 eConsult BASE™ managed specialty groups
- Access to The Ottawa Hospital Pain Clinic
- Access allied health professional services ie: pharmacists/wound care/addiction services
- Mobile device friendly
